Saudi Arabian [REDACTED]

17 April 2020

OVERVIEW

Between 9 and 12 April 2020 Saudi Arabian [REDACTED] remotely tested the English level of potential recruits using Dynamic Placement Test (DPT). 2,003 tests were conducted. A report listing the CEFR level and Relative Numeric of each test taker was delivered.

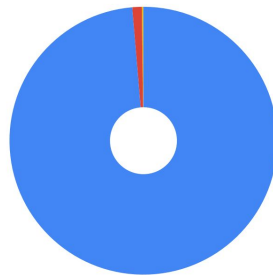

SPECIFICATION

1. The standard DPT duration of 30 minutes was extended to 45 minutes.
2. Test takers used their own device from home. There was no invigilation.
3. The original completion time of 20:00 April 11 was extended to 24:00 April 13 at 08:00 April 12 at the client's request.
